INTERESTING PARAGRAPHS

With the noiseless beat of fairy feet

rily race, without a trace, The fays athwart the green ; Vhile overbead the moon rose-re

or Zephyrs' sigh were tempest high Amid the trance of elfish dance Now in and out the joyous rout

Their drink the dew, a merry crew

They dance amain till all are fain

Their play to close, in soft repose, On beds of clover laid. Preludes the song of feathered throng Away they go !-- like falling snow Upon a stream, or winged dream

prise, and expression of sincere grief were heard everywhere. Men of all classes are full of kind streets of this city he met friends at every step, For LONDON PURPLE, PURE and with a faculty peculiarly his own for remembering faces and names, and the circumstances of the lives of men with whom he be-came acquainted, he invited confidences that fig to contain a genuine wild man of such tre-

upon practice, being associated with a Mr. Bessac, was always sought out by clients who retained the firm for advice and assistance. It was always: "Where's Sanford?" or, "Sanford will tell you see him," and this recognition of the keen young barrister's good judgment eventually proved to be so irritating to Mr. Bessac that he suddenly deserted Church and continued business alone. It was soon after this that Judge Church and Noah Davis became associated, beginning a career together that was continued for about 20 years. This long association in Albion was always regarded by Church as a happy and profitable period of at his life. He afterward went to Bochester.

the Assembly, the first political office he ever by the infurists savage. The wild many him held, and his rise to the positions of Lieuten-

lawyer, but few lawyers have read law to such native of the Space Wald in the alie is the common walks of life. While he was Loudon Telegraph

society was sought for by the cultivated people of this city, and he was frequently found in social circles. No man enjoyed a game of cards better, nor did anybody ever resist so streamonsly as he; suggestions to employ eards for gain. The Judge was prudent, having good financial judgment, which is evinced by his management of the Controller's department. He has not made a great fortune, but probably leaves to his son and daughter from \$75,000 to \$100,000. society was sought for by the cultivated people son and danguter from \$75,000 to \$200,000 .- Currespondence A. Y. Times.

ROMANCE OF REAL LIFE. At Westville, in the Township of Hempstead

with a piece of fat pork in one hand and a sea | the fact that is the cold alcoholic happened to be fishing there. She was taken to when heated parts with this water the house of Nicholas Dooley—the only one on I tion or hydration. When the peop ed to adopt her and bring her up. She was erly adjusted, and the liquid is unled in a mornamed Julia and. She remembers when Gibbs, row gines tube; it becomes quite selective to the pirate, was parterns, laland, and was supposed to have buried his, fill-gotten grains there. of the when compared with a serviced color.

He stopped at Mr. Douley's house the night be scale may serve, which certain limbs, as a

fore he and Wandey were captured on Flora rough index of the temperature of a recommendation

Point. Gibbs afterward confessed that It was house. - S. T. Testane.

In 1819, when she was only 15 years old, Mrs

A TRICK OF THE SHOW TRADE nong the people of one of Berlin a tar ordinary bonds of sympathy and respect. . . it was found necessary by his lessee to have life. The Judge in his early life, exhibited traits of watched day and night by four staleaut keepers.

7 o'clock, and going immediately to the Court them, those to whose music he most likes to of Appeals. He was busily engaged there for listen. If it he once fully recognized that music has a great emotional power over a considerable

of chloride of count to a glass tube as a seem the instrument. When chieride of suball is dis solved to a definite quantity of strong wine spirit, or algobol elightly diluted with water, an exposure to cold air develops a bright past Long Island, live a venerable and worthy couple | color, which, as the temperature of the six in named Mr. and Mrs. Henry Mott. The early creases, passes through vertices should at color, history of the wife is particularly romantic and mutil at last, when the liquid becomes quite interesting. In 1807, when she was 3 years old, warm, it assumes a strong blue of violet blue, she was found on the marsh at Barren Island, hue. These color changes are printerly due to biscuit in the other, by an old gentleman who sait appropriates a parties of the water, and the island at that time—and Mrs. Dooley decid- chloride of cobalt, alcohol and water are prop-
